

## What is First Book?

First Book is a nonprofit organization that provides new, high-quality, low-cost or free books to students in need. If you work or volunteer in a school, community program or classroom that is Title I-eligible or where at least 70 percent of the students come from low-income families, you can register with First Book.

## Why are NYSUT, the American Federation of Teachers, and First Book working together?

NYSUT, AFT and First Book are partnering to find solutions to one of the most pressing educational issues—how to increase all children's access to high-quality books so they can become strong readers to succeed in school and in life. By helping families have great books at home, we are supporting educators' efforts to provide all students the best education possible.

## How does registering with First Book benefit you and your students?

- You can order high-quality, low-cost new books, which you get to select through the First Book Marketplace, for your classroom or school.
- You have access to free books for students to take home via the First Book National Book Bank program and multiple chances to participate every year.
- As an NYSUT/AFT member, you will have the opportunity to participate in special NYSUT/ AFT/First Book programs funded by First Book partners.

Fill out the information below to register with **First Book**.

Keep an eye on your **e-mail** to verify and complete your registration.

## I want to register with First Book!

I work or volunteer in a Title I-eligible school or program, or in a classroom, school or program where at least 70 percent of the students come from low-income families.
